

The Best Jobs of 2014

Best Jobs of 2014: 1. Mathematician

BLS Median Annual Salary: \$101,360

Projected Job Growth by 2022: 23%

Jobs Rated Score (the lower the better): 63

Careers in mathematics are diverse and rewarding. Mathematicians rank among the more well-compensated in the 2014 Jobs Rated report. The field also has a positive outlook for continued future growth.

Best Jobs of 2014: 2. University Professor (Tenured)

Best Jobs of 2014: 2. University Professor (Tenured)

BLS Median Annual Salary:68,970

Projected Job Growth by 2022:19%*

Jobs Rated Score :73

Achieving tenure is a difficult milestone for those in higher education, but doing so is a rewarding goal. Many of the careers atop the 2014 Jobs Rated report require postsecondary education, and university professors are integral in giving students the necessary foundation to succeed in other careers.

** denotes BLS figures for all postsecondary positions.*

Best Jobs of 2014: 3. Statistician

Best Jobs of 2014: 3. Statistician

BLS Median Annual Salary:\$75,560

Projected Job Growth by 2022:27%

Jobs Rated Score :96

Statistical analysis is of growing importance to a wide spectrum of industries, thus professional statisticians are in high demand.

Best Jobs of 2014: 4. Actuary

Best Jobs of 2014: 4. Actuary

BLS Median Annual Salary:\$93,680

Projected Job Growth by 2022:26%

Jobs Rated Score :103

Those skilled in mathematics and statistical analysis can find rewarding opportunities as an actuary. The career is challenging, and becoming an actuary requires passing a series of exams.

The U.S. Bureau of Labor Statistics projects a very favorable hiring market for actuaries in the years to come, thanks in part to more Americans having healthcare coverage.

Best Jobs of 2014: 5. Audiologist

Best Jobs of 2014: 5. Audiologist

BLS Median Annual Salary:\$69,720

Projected Job Growth by 2022:34%

Jobs Rated Score :110

An audiologist helps patients address hearing and balance problems. With an aging population, audiologists are expected to be in high demand over the coming years. The BLS also reports that as hearing aid technology improves, devices become more attractive to patients, which translates into greater opportunities for audiologists.

Best Jobs of 2014: 6. Dental Hygienist

Best Jobs of 2014: 6. Dental Hygienist

BLS Median Annual Salary:\$70,210

Projected Job Growth by 2022:33%

Jobs Rated Score :2012

Opportunities in the field are abundant and expected to grow considerably by 2022. The most skilled in the field can command very competitive wages and a flexible work schedule.

Best Jobs of 2014: 7. Software Engineer

Best Jobs of 2014: 7. Software Engineer

BLS Median Annual Salary:\$93,350

Projected Job Growth by 2022:22%

Jobs Rated Score :125

Computer technology is always changing and becoming more sophisticated. The latest wave in the field is cloud computing, and companies need software engineers able to meet this and other adaptations in the most fundamental facet of 21st century business.

Best Jobs of 2014: 8. Computer Systems Analyst

Best Jobs of 2014: 8. Computer Systems Analyst

BLS Median Annual Salary:\$79,680

Projected Job Growth by 2022:25%

Jobs Rated Score :126

Network administration is a critical component of business practices, and its importance will only continue to grow in the coming years as more companies and institutions move hard copy files into digital formats.

Best Jobs of 2014: 9. Occupational Therapist

Best Jobs of 2014: 9. Occupational Therapist

BLS Median Annual Salary: \$75,400

Projected Job Growth by 2022: 29%

Jobs Rated Score : 129

Occupational therapists work with the injured or ill and use routine activities to speed rehabilitation. Demand for their skills is high as they focus on modifying each patient's physical environment while training them to use equipment to increase independence. By focusing on helping patients engage in meaningful activities of daily living, they tend to cater to the aging population.

Best Jobs of 2014: 10. Speech Pathologist

Best Jobs of 2014: 10. Speech Pathologist

BLS Median Annual Salary:\$69,870

Projected Job Growth by 2022:19%

Jobs Rated Score :138

Speech pathologist ranks in the top 10 of the 2014 Jobs Rated report for its favorable marks across all categories. Speech pathologists can work in educational or medical settings to help patients work through communicative disorders.
